**Sub: Issue/transfer of CGHS Cards on CGHS station.**

Please refer to Ministry of Health & Family Welfare, Govt. of India O.M. no:- S- 6252/2003-2004-R&H/CGHS/CGHS(P) dated-15/06/2004. In this context, all ministries and Departments have been requested to ensure that all such government servants who are contributing towards the CGHS are issued with CGHS cards.

During the course of audit of medical bills, it is seen that some officials posted at CGHS station are not applied for CGHS card and submitting their claim without supporting of CGHS cards.

Further, it is also observed that some officials are not applying for transfer of CGHS cards on their transfer from one CGHS city to another CGHS city whereas Ministry of Health & Family Welfare, Govt. of India vide their letter no-215025/108/2017/DIR/CGHS/EHS dated-17/01/2018 has stated that serving employees on transfer from one CGHS city to another CGHS city are required to be transfer of their CGHS cards.

The context of the circular may please be disseminated among all officials for strict compliance.

## Office Memorandum

### **Subject: Facility for downloading of Index Card and Validity of CGHS Card- Regarding.**

It has been the endeavor of CGHS to provide more on-line facilities for its beneficiaries especially during COVID times. As a step further in this direction, the facility to download and print the Index Card is now available to the CGHS beneficiaries. On verification of the CGHS card application by Additional Director of the CGHS city/headquarters, an SMS would be sent to the registered mobile number of the main card holder, following which the Index Card would be downloadable by the main card holder and his dependents. The beneficiary will no longer be required to visit the Office of Additional Director of the city/headquarters at Delhi to collect the paper Index Card. The beneficiary can use the downloaded Index Card (e-Index Card)) to avail all CGHS facilities in CGHS units as well as at empanelled hospitals and diagnostic Centre's.

#### **How to download the Index Card:**

On receiving the SMS regarding verification of card application, the beneficiary would be required to go to "Beneficiary login" at [www.cghs.nic.in](http://www.cghs.nic.in) and login using his Beneficiary ID and password. An OTP will be sent to the registered mobile number as well as email of the beneficiary for authentication, following which the beneficiary would be able to download the e-Index Card.

#### **Validity of CGHS Plastic Cards:**

Earlier, CGHS cards of serving beneficiaries and their dependents were valid for 05 years from the date of being printed. This often resulted in differing card expiry date of main card holder and his dependents, for instance, in case of addition of a new dependent.

To remove this anomaly, henceforth, in case of all new/renewed serving CGHS cards, the validity period of the Plastic Card, e-Index Card, as well as "Print your own Card" will be the same for main card holder and all their dependents i.e., 05 years from the date when the department has approved the application for plastic card of the main card holder. This will be irrespective of the date when their card is printed. In addition, the e-Index Card and "Print your own Card" facility would be available during this 05 year validity period only.

The existing plastic cards will however continue till their 05 year validity period ends.

In case of pensioner cards (except whole life card), the e-Index Card / plastic card / "Print your own card" validity and download facility would be from date of approval on the application for plastic card by Additional Director of the city/Headquarter in Delhi, till the period covered by the subscription deposited by the pensioner.

The plastic card printing agency will henceforth print CGHS cards of main card holder and dependents with the same "Valid upto" date, as captured in the database of the main CGHS card

## CGHS CIRCULARS 2021

---

holder (exception being whole life pensioner cards where “whole life” is to be printed in place of “valid upto” date).

Beneficiaries would be able to apply for renewal of plastic cards 03 months from expiry date of existing card. The new e-Index Card valid for 5years from date of approval by department/ CGHS as the case may be, would be available for downloading after SMS confirmation from CGHS.

It is reiterated that in case any of the beneficiaries [main card holder or dependent) becoming ineligible for availing CGHS facilities, it shall be the responsibility of the main card holder to immediately inform the Additional Director /CMO I/C either through the department (in case of serving beneficiaries) or directly (please see at [www.cghs.nic.in](http://www.cghs.nic.in) FAQs at serial numbers 1 and 4 to 9 for details). It is also reiterated that in the event of the main card holder's failure to inform CGHS about change in the eligibility status, then CGHS facility to the beneficiary and his dependents is liable to be withdrawn in addition to any other action as deemed fit by CGHS/ appropriate authority (including disciplinary proceedings against serving beneficiary under CCS (CCA) Rules, 1965). Department will be responsible for retaining and getting deleted from Database the CGHS cards of its employees transferred to non CGHs covered areas/organizations or on resignation/retirement.

The information regarding the new e-Index card facility would be disseminated to the main card holders through SMS.

**Subject: Extension of CGHS facilities to beneficiaries outside India.**

Sir,

I am directed to refer to your email dated 06.02.2021 on the above noted subject and to say that your petition has been examined in the Ministry. As per rule 11 of CS(MA) Rules, 1944, a Government Servant and his/ her family members are eligible to obtain medical treatment outside India or, as the case may be, to claim reimbursement of the cost of medical treatment obtained inside or outside India. It is, therefore, evident that the term 'Government Servant', denotes all serving central government employees (CGHS as well as CSMA beneficiaries). Hence, the provisions of CS(MA) Rules, 1944 are applicable in case of serving Central Government employees. Further, as CS(MA) Rules are not applicable to pensioners, provisions relating to treatment abroad are not applicable in their case.

## OFFICE MEMORANDUM

### **Sub: Guidelines regarding administration of COVID vaccine to the CGHS beneficiaries-**

The Department has been receiving various representations and grievances regarding administration of COVID vaccine to the CGHS beneficiaries. The matter has been examined and it has now been decided that:

1. As per the Government of India policy, the vaccination against COVID illness is being provided free of cost to the beneficiaries at the designated government facilities. The beneficiaries are required to pay Rs. 250/- per dose in the private hospitals only. As per the policy no reimbursement has been provisioned if a beneficiary decides to get vaccinated at private empanelled hospitals, therefore the referral for the same by the CGHS Wellness Centers to the private hospitals is not required.
2. The planning and operational aspects for COVID-19 vaccination are in the domain of the State Governments. The District Health authorities of the State Governments are making arrangements for listing of the health facilities. for providing training, logistics, vaccinators and the vaccine to the identified facilities where COVID-19 vaccination centers are being planned and started. The CGHS does not have any role in this. A request has been made to all States to consider utilising CGHS Wellness Centre's as CVC (Covid Vaccination Centre), if feasible.
3. All the beneficiaries are required to register themselves on the Co-Win app and to indicate the name of the CVC where they would like to avail the vaccination and also the convenience of time at which to avail the same.

Here's a step-by-step guide for registration and booking a vaccination appointment on CoWin:

People can register and book an appointment for vaccination either directly through the CoWin portal or through the Arogya Setu app which is integrated with CoWin portal.

On CoWin portal, enter your mobile number and click on the OTP (One Time Password). Enter the OTP received on your mobile and click on the verify button.

If registering through Aarogya Setu app, go to the CoWin tab, tap on the Vaccination tab and the click on Proceed.

A registration page will appear where you will need to fill in the beneficiary's details, such as name, year of birth and gender. You will also need to enter the photo id type.

If the registration is meant for a senior citizen, click on Register. If it's for a person with co-morbidities, click on YES where the form asks, "Do you have any co-morbidities (pre- existing medical conditions)". The beneficiaries in this category need to carry a medical certificate when they go for their vaccine appointment.

Once registered, a confirmation message will be sent to your registered mobile number. After registration, the system will show the "Account Details". On this page, you can add three more beneficiaries by clicking on Add More button.

One person can add up to four people linked with one mobile number.

## CGHS CIRCULARS 2021

---

You can schedule an appointment by clicking on a calendar icon, below a column named Action.

You will then be taken to “Book Appointment for Vaccination” page where you will need to fill in the beneficiaries’ address details – State/UT, District, Block and Pincode. Click on the Search button once done

A list of vaccination centers will appear based on the search criteria.

Upon choosing a center, the available slots (date and capacity) will be displayed.

After selection the dates, click on “Book”.

A confirmation page with “Appointment Successful” message will be displayed.

If you want to reschedule, you can again log in with your mobile number, enter OTP and make the changes by clicking on the edit icon below the ‘Action’ column against registered individuals. In case you have to move to another city, you can make changes to find the nearest vaccination Centre as well.

## OFFICE MEMORANDUM

**Subject : Simplification of procedure for investigations and treatment related to COVID-19-Infection**

With reference to the above subject the undersigned is directed to state that this Ministry is taking several measures to contain the resurgence of COVID-19 cases. In this regard this Ministry is in respect of the difficulties faced by CGHS beneficiaries in availing treatment / investigation facilities for COVID-19 patients under Homecare treatment. There is also need to minimize the exposure of normal CGHS beneficiaries / CGHS Staff to COVID-19 +ve / suspected COVID-19 cases . The matter has been reviewed in the Ministry and the undersigned is directed to state that it is now decided to take the following measures to simplify the procedures for investigations and treatment related to COVID-19:

i) The CGHS beneficiaries, both Primary Card Holders and their dependent family members, who are suffering from symptoms suggestive of COVID-19 illness, shall not visit the CGHS Wellness Center for permission of RT-PCR/ RAT. They are advised to send the request by e-mail to CMO i/c of CGHS Wellness Centre, who shall recommend and refer the beneficiary to any empanelled HCO for the test by e-mail to beneficiary on the same day of receipt of request. All the diagnostic labs and other HCOs shall provide the facility of testing for RT-PCR/ RAT on credit basis to the pensioner beneficiaries and the other eligible category serving employees of the CGHS/ DGHS/ MoHFW. The other serving employees shall pay for the test as per the rates notified by the State Government and claim reimbursement from their respective offices subsequently.

The beneficiaries also have the option to undergo RT-PCR/ RAT test done directly at any of the Central Govt./state Government COVID Test Centre's, where no prescription is required

ii) CGHS beneficiaries who are tested positive and have been permitted for Home Quarantine by local authorities / DISO have the option to avail Tele-medicine services with Government specialists under CGHS through the e-Sanjeevani portal. They can also avail tele-consultation services with Govt. Specialists on e-Sanjeevani portal, run by different State Governments.

iii) In case, any beneficiary further investigations for inflammatory markers like CRP, D-Dimer, IL-6, or any other routine or specialized investigation like HRCT etc, no permission is necessary for investigations having a CGHS rate. If there is no CGHS rate for any investigations, the beneficiary shall apply for approval from concerned Additional Director, enclosing a copy of advice on Tele-consultation and CGHS Card. Permission shall be granted by CGHS, preferably on the same day by e-mail to the beneficiary (in respect of all CGHS beneficiaries).

iv) Essential medicines advised for Home isolation treatment can be purchased from Market during the period of isolation and the bills may be preferred to the respective Ministry / Departments / concerned Autonomous body in case of serving employee and CGHS beneficiaries of Autonomous Bodies and to CGHS in case of Pensioners, ex-MPs, etc., as the case may be for reimbursement.

### **Subject: Clarification regarding payment of CGHS Subscription through Bharatkosh**

With reference to the above subject attention is drawn to OM of even Number dated 21st July 2020 vide which guidelines were issued for payment of CGHS subscription online through Bharatkosh and to state that this Directorate is in receipt of the difficulties faced by central government pensioners in obtaining CGHS Cards.

The matter has been taken up with the Office of Chief Controller of Accounts, Min. of the Health & Family Welfare and on the basis of clarifications received , it is now decided to issue the following clarification which may be read in continuation of the OM dated 21.07.2020 to provide hassle free services to beneficiaries:

Issue of CGHS Card on the basis of a provisional receipt received from NTRP:

GTR6 / GTR7 Receipt can be accepted for consideration of issue of CGHS Card. Provisional receipt is not acceptable.

It is clarified that in NTRP two kind of receipts generated GTR6 and GTR7.

GAR6 – when transaction on NTRP is successful and the amount is successfully received through payment gateway. It gets generated the moment transaction is successful. GAR6 may be accepted if a successful online transaction made by the user through Credit Card, Debit Card, Net Banking or UPI.

GAR7 (Challan) – Amount received by The NTRP payment gateway has been accounted for in PAOs accounts & deposited in Consolidated funds of India (CFI). It gets generated the moment Scroll is received and CFI is credited (Transaction +2 days as per CAM). Copy of Challan (GAR 7) Receipt is considered for providing service for transactions through NEFT/ RTGS mode.

Provisional receipt is generated only in case of payment made through NEFT/ RTGS mode. However, the accuracy of the UTR entered is only verified once the scroll is received from RBI & consumed and the challan (GAR7) is generated.

Hence, for transactions through NEFT/ RTGS mode, copy of challan (GAR 7) receipt is considered for providing service

ii. User remits the CGHS subscription towards incorrect PAO inadvertently

It is clarified that NTRP receipts paid to other CGHS unit /DDO can be accepted by the Additional Director, CGHS for issue of CGHS Cards to beneficiaries and take up the matter with PAO and on the receipts of details from CGHS, same can be adjusted between the PAOs. This will reduce the hassles to beneficiaries.

## OFFICE MEMORANDUM

**Subject: Processing of Hospital Bills of HCOs empanelled under CGHS on NHA-IT Platform**

With reference to the above subject directed to say that the work for on boarding on NHA IT platform for paperless clearing of hospital bills has been on for some time. NHA has now informed that they have moved their IT platform on the production mode. In view of above It has been decided that CGHS bill processing system shall be onboard the NHA Platform w.e.f. 1st June 2021 and the HCOs empanelled under CGHS shall utilize this platform for uploading the bills pertaining to pensioner CGHS beneficiaries in a paperless environment. However, as a measure of abundant caution and to ensure that CGHS beneficiaries do not face any problems in availing treatment facilities from empanelled facilities during this period it has been decided that both NHA and UTI-ITSL platforms shall run concurrently till midnight of 10/11 June 2021, after which NHA Platform shall takeover completely.

All Additional Directors CGHS are directed to inform the HCOs empanelled under CGHS to take necessary steps to shift to the NHA platform. They should also ensure that CGHs beneficiaries do not face any problems and there is no delay in starting the treatment.

This issues with the approval of competent authority.

## OFFICE MEMORANDUM

### **Subject: Processing of Hospital Bills of HCOs empanelled under CGHS on NHA-IT Platform**

With reference to the above subject the under signed is directed to draw attention to the OM of even number dated 1st June 2021 vide which instructions have been issued that CGHS bill processing system shall be onboard the NHA Platform w.e.f. 1st June 2021 and the HCOs empanelled under CGHS shall utilize this platform for uploading the bills pertaining to pensioner CGHS beneficiaries in a paperless environment.

However, as a measure of abundant caution and to ensure that CGHS beneficiaries do not face any problems in availing treatment facilities from empanelled facilities during this period it has now been decided in partial modification of the earlier OM that both NHA and UTI-ITSL platforms shall run concurrently till midnight of 25th/26th June 2021, after which NHA Platform shall takeover completely. The other terms and conditions of the earlier OM dated 1st June 2021 shall remain unchanged.

All Additional Directors CGHS are directed to inform the HCOs empanelled under CGHS to take necessary steps to shift to the NHA platform. They should also ensure that CGHS beneficiaries do not face any problems and there is no delay in starting the treatment.

This issues with the approval of competent authority.

## OFFICE MEMORANDUM

**Subject: On boarding of CGHS empanelled HCOs on NHA IT Platform for paperless Hospital Billing**

CGHS has initiated the process of transitioning of Hospital Billing from UTI-ITSL to National Health Authority (NHA) IT platform to make the entire process smooth and paperless. The hospital bill submission and processing related to CGHS empanelled hospitals and diagnostic centers (also called Health Care Organizations or HCOs) is being implemented through National Health Authority (NHA) IT platform in a phased manner.

To achieve the above, all currently empanelled HCOs are required to register themselves with the NHA. The HCOs are required to provide their details on Hospital Empanelment Module (HEM) <https://hospitals.pmjay.gov.in/empApplicationHome.htm?actionVal=loginPage>. On submission of the HCO details on HEM, it shall be forwarded online to the CGHS Additional Director of the city/HQ for approval. Post approval, HCOs shall receive the login for onboarding the Transaction Management System (TMS) [<https://cghs.nha.gov.in/CGHS/loginnew.htm>].

As an extension of the existing system for issue of permissions and referral from CGHS Wellness Centre's for OPD consultations, listed investigations, listed procedures and follow-up, the system has now been made online and shall be accessed through the TMS, by the HCO where the beneficiary wishes to avail services. Each OPD consultation /investigation/procedure/follow -up or a set of consultations/investigations/procedures/follow -up issued to a beneficiary would be tagged to a system generated unique referral D. On entering the referral ID in the TMS, the HCO would be able to access the components of the referral ID and the accompanying remarks entered by the doctor in the CGHS Wellness Centre.

In case the doctor in the Wellness Centre issues online permission on his/her own, it would be termed as "referral" and in case the doctor issues online permission based on prescription issued by an empanelled hospital specialist, it would be termed as "endorsement".

As per existing CGHS guidelines, when the beneficiary visits the empanelled HCO of his/her choice, he/she is expected to produce the following documents: i. the valid CGHS plastic card/Index card/print out of e-CGHS card : it is mandatory to produce any one of these ii. the CGHS issued printout of the referral having the online generated Referral D or valid prescription(s) from Specialists of Government hospitals or valid prescription issued through eSanjeevani portal (these documents are not required in case of emergencies or in case of beneficiaries of age 75 years and above). In the event of power failure/ net connectivity issues at the Wellness Centre, offline endorsement/referral issued by a Wellness Centre shall be accepted by the HCO.

In addition, as an initial step, the HCOs would be required to verify the beneficiaries on the NHA platform through the Beneficiary Identification System (BIS) [<https://bis.pmjay.gov.in/BIS/mobileverify>] as a one-time measure, using the CGHS beneficiary ID or Aadhar Card. Beneficiary would be given the option by the HCO to undergo the Aadhar authentication, as that would ease the delivery of service. Subsequent visit of the beneficiary to any HCO would not require verification on the BIS.

## CGHS CIRCULARS 2021

---

The HCOs would be required to book treatment (OPD consultation/investigations/procedures/follow-up/admission) of CGHS pensioner beneficiaries and submit claims on the TMS for reimbursement by CGHS.

In case of those empanelled laboratories that are providing Home Collection as a special service, they can submit their claims, along with the following (to be collected by the Home Collection Service personnel either digitally or physically) : i. valid CGHS plastic card/print out of e-Index card or paper Index Card/print out of e-CGHS card ii. Copy of online referral print-out issued from CGHS wellness center with Referral ID or valid manual prescription from a government specialist or valid prescription generated through esanjeevani portal Lab Home services need to complete the online BIS process and can proceed with further process of raising the claim.

In those cases where the pensioner beneficiary is referred by the CGHS Wellness Centre, he/she would be required to share the referral slip containing the referral ID with the HCO. Only a single print out needs to be generated by the CGHS Wellness Centre for Referral ID(s) generated on a single day by a doctor in the Wellness Centre, even if a beneficiary needs to visit multiple HCOs. The HCO, if required, shall retain a scanned copy of the print out and return the original print out to the beneficiary.

The HCO would access the Transaction Management System (TMS) [<https://cghs.nha.gov.in/CGHS/loginnew.htm>] of the NHA and enter the referral ID, to view the components (OPD consultation/investigation/procedure/follow-up) advised/endorsed by the CGHS doctor through the Referral Module. The HCO would select the components which the pensioner beneficiary wishes to get done at that HCO and are available in that HCO.

If the beneficiary is required to visit another HCO for remaining components of a referral ID, the subsequent HCO(s) would be able to view all the components in the referral ID including those that have been consumed by the previous HCO on TMS. However, the subsequent HCO(s) would be able to consume only those components of the referral ID, that have not been consumed by the previous HCO(s). The details of the status of the referral (consumed or not consumed) would be made available by NHA to the Wellness Centre also.

When a beneficiary visits an empanelled hospital for specialist consultation, the specialist would be required to advise the investigations/procedures/further OPD consultation in printed format/ clear legible handwriting, preferably mentioning the CGHS codes (serial number as per the CGHS rate list) to ensure that the doctor in the CGHS Wellness Centre is able to decipher the prescription issued by the empanelled hospital and generate an online “endorsement” through the Referral Module. Beneficiaries of age 75 years and above are not required to visit CGHS Wellness Centres for such “endorsements” for OPD consultations/listed procedures/ listed investigations.

For unlisted /unspecified investigations and procedures, advised in OPD, the pensioner beneficiaries (including those of age 75 years and above) would be issued permission by the Additional Director of the city/zone, as per extant CGHS guidelines. This permission issued by the Additional Director needs to be uploaded along with other documents by the HCO at the time of raising an intimation. In admitted beneficiaries, no permission is required to be issued by CGHS authorities.

In case of pensioner beneficiaries, ex-MPs, Freedom Fighters, serving beneficiaries of CGHS, DGHS and MoHFW, and such other categories of CGHS beneficiaries who are eligible for credit, the empanelled HCO would be required to extend cashless benefit, while the serving and pensioner beneficiaries belonging to autonomous bodies and serving beneficiaries would claim reimbursement from their Ministry/Department for treatment/investigation/procedure/consultation/follow up availed at the empanelled HCO, as per extant guidelines. Currently the hospital billing through NHA IT Platform is for pensioner beneficiaries only.

As per extant guidelines, the following three categories of beneficiaries are not required to visit the CGHS Wellness Centre for issue of permission for OPD consultation/listed investigations/ listed procedures/follow up: i. beneficiaries 75 years of age and above ii. beneficiaries carrying valid prescription(s) issued by specialists of any Government hospital/Centre iii. beneficiaries carrying valid prescription(s) issued through e-Sanjeevani teleconsultation The HCO would be required to

## CGHS CIRCULARS 2021

---

upload such prescriptions in the TMS and capture online, the details of treatment/investigations/procedures/further consultations advised in such prescriptions. This process shall also be followed by

the HCO, in the event of offline endorsement/referral issued by a Wellness Centre due to power failure/net connectivity issues at the Wellness Centre. This information would also be made available in CGHS database by NHA.

For any deviation or addition of components by the HCO in the online referral/endorsement from the CGHS Wellness Centre or prescription issued by government hospital specialist (including tele-consultation through eSanjeevani ), the beneficiary would be required to visit the CGHS Wellness Centre for online endorsement.

Permission from CGHS Wellness Centres is not required for treatment in case of emergencies. Such cases would be auto approved by NHA at the empanelled hospital and treatment would be initiated.

The online intimation through TMS, regarding all beneficiaries registered/admitted by 11.59pm on a particular day, would need to be raised by the HCO by 11.59PM of the next day. A relaxation in this timeline would be given to HCOs till 30/06/2021.

HCOs shall submit the claim on the NHA TMS online system and same will be processed by a panel of claim processing doctors at NHA and approved for payment by CGHS sanctioning authority through TMS. PFMS system has been integrated with NHA's TMS system for processing the payment directly into the bank account of the HCOs, upon sanction by competent authority. The provisions of this memorandum come into force on the date of issue.

## OFFICE MEMORANDUM

**Subject: Clarification on CGHS facilities to the retired BSNL/MTNL Employees who are in receipt of pension from Central Civil Estimates.**

This refers to DoT O.M. No. 4-12(11 /2012-PAT(Part) dated 31 08.2016 and O.M. No. 4-12(12)/2018-PAT-Part (1) dated 01.07.2019 regarding CGHS facilities to pro-rata pensioners. In this regard, it is mentioned that the matter has been examined in consultation with Ministry of Health & Family Welfare In this regard, it is clarified that:

- i. The above mapping is applicable for the Combined Service Optees who retired from BSNL/MTNL with IDA pay scale.
  - ii. This mapping is not applicable for pro-rata pensioners who retired from DoT under CDA pay scale. Also, as per guidelines issued from Directorate of CGHS, MoHFW, ward entitlement is based on the last basic pay and CGHS subscription is based on the pay scale as mentioned in the Pension Payment Order (PPO) of a particular retiree. Accordingly, ward entitlement and CGHS subscription in case of pro-rata pensioners of BSNL/MTNL is to be decided based on last pay drawn in DoT before absorption, as mentioned in their respective PPO while retiring from DoT, Govt. of India. Hence, no mapping of IDA/CDA scale is required in case of pro-rata pensioners.
2. This issues with the approval of Member(Service).

### **Sub: Grant of Medical Advance for all treatment (OPD and IPD) under CGHS / CS(MS) Rules – clarification regarding**

The undersigned is directed to refer to this Ministry's O.M. No 14025/18/2015-MS/EHSS dated 17.10.2016 on the subject mentioned above and to say that a numbers of references seeking clarification on grant of medical advance to CGHS/CS(MA) beneficiaries in respect of treatment procedures for which there are no prescribed CGHS package Dates, are being received in this ministry.

2. In view of the difficulties being faced by CGHS / CS(MA) beneficiaries, the matter has been examined in this Ministry and it has been decided that in case of treatment procedures without Package rates, the admissible amount is calculated item-wise at CGHS rate. Item(s) for which there are no CGHS rates, AIIMS rates shall be considered. If there is no CGHS/AIIMS rate, actual estimate for the procedure shall be considered.

3. The Hospital seeking advance shall provide item-wise break-up of the estimate to facilitate processing of the requests for medical advance, 90% of the admissible rates arrived at, as per para (2) above, would be considered for grant of Medical advance.

4. The other terms and conditions mentioned in the OM No 14025/18/2015-MS/EHSS dated 17th October 2016 shall remain unchanged.

**Sub: Advisory to follow CGHS guidelines during treatment of CGHS beneficiaries – reg.**

It has come to notice that empanelled HCOs withhold original CGHS card and retain original permission/prescription letter of CGHS beneficiaries for unwanted reason. As per CGHS guidelines, the empanelled HCO shall obtain the self attested copy of prescription letter and CGHS card of the patient & main card holder and can't ask the beneficiary to submit the original prescription letter and CGHS card but to verify the self attested copies from the original prescription/CGHS cards.

You are hereby directed to follow CGHS guidelines in letter & spirit and not to ask CGHS beneficiaries for original prescription/CGHS card. Similar complaint in future will attract strict action against your HCO as per MOA.

DEPARTMENT OF HEALTH AND FAMILY WELFARE  
LOK SABHA

UNSTARRED QUESTION NO. 1112  
TO BE ANSWERED ON 03rd DECEMBER 2021

**Cashless Facilities to CGHS/ ECHS**

1112. SHRI SHANMUGA SUNDARAM K.:  
SHRI VELUSAMY P.:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

- (a) Whether the Government is aware of the fact that several private hospitals empanelled under the Central Government Health Scheme (CGHS)/ Ex-Servicemen Contributory Health Scheme (ECHS) have suspended cashless services to the beneficiaries of the said healthcare programme;
- (b) if so, the details thereof and the pending amount to the hospitals both private and Government Hospital; and
- (c) the steps taken by the Government to ensure un-interrupted cashless services to the beneficiaries?

**ANSWER**

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. BHARATI PRAVIN PAWAR)

(a) to (c): Under the Central Government Health Scheme (CGHS), empaneled Health Care Organizations (HCOs) are required to provide cashless facilities to the eligible CGHS beneficiaries. However, there have been reports that some hospitals are not providing cashless facilities. Suitable action is taken against them whenever such cases come to notice. AMRI Hospital, Bhubneshwar, CARE Hospital, Bhubneshwar, SAL Hospital, Ahmedabad, M/s Charnock Hospitals Pvt. Ltd., Kolkata, Rabindranath Tagore International Institute of Cardiac Sciences, Kolkata and MIOT Hospital, Chennai have submitted notice to opt out of CGHS. Regarding Ex-Servicemen Contributory Health Scheme (ECHS), as per the information provided by the Ministry of Defence, 174 Health Care Organizations (HCOs) have stopped giving cashless services to ECHS beneficiaries.

Under CGHS there is no pending bill pertaining to Government Hospitals. Clearance of pending bills of HCOs is a continuous process. During the Current Financial Year, HCOs' bills worth Rs. 1100 crore (approx.) have been paid and bills amounting to Rs. 797 crore (approx.) are received for payment. Under ECHS, Bills amounting to Rs. 75 crore (approx.) are also received for payment.

Under CGHS, following steps have been taken to ensure uninterrupted cashless services to the beneficiaries:

- (i) Additional manpower has been mobilized to expedite settlement of hospital claims.

## CGHS CIRCULARS 2021

---

(ii) In June 2021, CGHS has shifted to settlement of bills in paperless mode on the IT Platform of National Health Authority which is an attached Office of Ministry of Health & Family Welfare.

As informed by Ministry of Defence, following steps have been taken for timely payment of bills to the hospitals empanelled under ECHS: –

(i) Provision of adequate budgetary support has been made.

(ii) Usages of IT solution for continuous monitoring for efficient processing of bills and timely payment.

(iii) Empanelment of additional HCOs as an alternative to those who have refused services.

**RAJYA SABHA**  
**UNSTARRED QUESTION NO. 1853**  
**TO BE ANSWERED ON 14TH DECEMBER, 2021**

## **SETTING UP OF CGHS WELLNESS CENTRES**

1853. SHRI ABDUL WAHAB:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

- (a) Whether it is a fact that there are only two or three CGHS Wellness Centres functioning in the States other than big Metros;
- (b) the details of CGHS Wellness Centres, State-wise;
- (c) whether it is also a fact that the CGHS beneficiaries, retired/serving, across the country are subjected to travel hundreds of kilometers to obtain medical facilities for want of adequate Centres; and
- (d) whether Government will contemplate any action to set up more CGHS Wellness Centres at least in all the district headquarters of all the States so as to contain the difficulties faced by the beneficiaries including the Parliamentarians?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND  
FAMILY WELFARE  
(DR. BHARATI PRAVIN PAWAR)

(a) to (d): At present, 333 CGHS Wellness Centres are functional in 74 cities of the country covering most of the States and Union Territories. State wise details thereof are at Annexure.

In view of the country wide network of CGHS Wellness Centres, a large number of serving Central Government employees and pensioners are covered by it.

Serving Central Government employees residing in non-CGHS areas are covered under CS (MA) Rules 1944. Central Govt. Pensioners residing in non-CGHS areas have the following options:

- 1) Avail Fixed Medical Allowance (FMA) in lieu of OPD facility or
- 2) Avail OPD & IPD facility from the nearest CGHS city on payment of requisite subscription or
- 3) Avail FMA in lieu of OPD facility & avail IPD facility from the nearest CGHS city on payment of requisite subscription.

Opening of new wellness centres is subject to fulfilment of norms and availability of resources including creation of posts with the approval of Ministry of Finance.
